

# 2019 Dinner Sponsorship

## Friends & Family Christmas Dinner

Dear Community Partner,

Many families within our Fond du Lac community struggle around the holidays, and many of our community members give of their precious time and resources to give back in the spirit of the season. Life Enforcement, a 501 (c)(3) organization, holds an annual Friends and Family Christmas Dinner that gifts those who may not otherwise be able to afford to celebrate, or for those who are among our Good Samaritans, with a nice meal, children's gifts, a visit with Santa, and entertainment. Life Enforcement looks to seek support from others who have that same will of giving and gratitude to grace our neighbors with this celebration and time of merriment.

Our Friends and Family Christmas Dinner is being held this year on Wednesday December 18, 2019 at the Knights Of Columbus in Fond du Lac. The majority of the attendees are those who have been nominated by a local not-for-profit, or community person who has acknowledged their need or identifies them as someone to be celebrated. We reach out to you to ask for your support through sponsorship. There are many different ways you can help make this another successful year! Here's how:

Our top needs can be found in either monetary donations or in-kind donations in the form of silent auction raffle items/baskets.

Monetary donations go to support the cost of the meal for persons or families nominated to be invited as a guest and to provide each child that attends with a gift.

All proceeds beyond the cost of the Christmas Dinner is put to our general fund that supports year-long needs that arise that align with Life Enforcement's core mission of *Taking Care of Our Community* through generous acts of kindness.

You can also support the event by nominating someone you care about that may need a little pick me up, or an individual you identify as being a local treasure for all they do to help others.

Visit the Life Enforcement Facebook page or at [lifeenforcement.com](http://lifeenforcement.com) for more information on how to nominate.

With Immense Gratitude and Appreciation,

*Programs & Events Committee*
