

# 2020 Dinner Sponsorship

## Magical Christmas Dinner Experience

Dear Community Partner,

Many families within our Fond du Lac community struggle around the holidays, and many of our community members give of their precious time and resources to give back in the spirit of the season. Life Enforcement, a 501 (c)(3) organization, will be adapting to community restrictions due to COVID-19. We are deploying a “Magical Christmas Dinner Experience” brought to our community member’s residences on Wednesday, December 16th. Our Christmas Elves will be delivering our traditional Christmas dinners along with specifically hand picked gifts to each child 18 and younger straight to their door steps. Our Christmas Elves will wave and wish them all a magical Christmas evening as they disappear onto their next stop.

Santa was able to deliver to the whole world in one night. Our Christmas Elves will need to deliver to all during dinner hours. This will take great coordination and manpower of our elves. We will be implementing an “Elve Tracker.” Children will be able to watch as our Christmas Elves are on their way. This innovative tool will also help our Christmas Elves efficiently get to our stops in a priority manner.

Life Enforcement looks to seek support from others who have that same will of giving and gratitude to grace our neighbors with this celebration and time of merriment.

We reach out to you to ask for your support through sponsorship. Our priority needs are monetary donations to support our magical evening:

Monetary donations go to support the cost of the Magical Christmas Dinner Experience for persons or families nominated and to provide each child with a gift.

All proceeds beyond the cost of the Magical Christmas Dinner Experience is put to our general fund that supports year-long needs that arise that align with Life Enforcement’s core mission of *Taking Care of Our Community* through generous acts of kindness.

With Immense Gratitude and Appreciation,

*Programs & Events Committee*

Chair: Donna Pierce

Co-Chairs: Theresa Menting & Gretchen Rauls

*President*

Lawrence Foster
